In respect of each contract that the Chairman will enter into hereafter involving less than Rs. 10,000 a definite procedure will be evolved and when the routine is evolved, it would be subjected to ratification. You will kindly see it is not a case where it cannot go before the Board. As a matter of fact, he only acts for the Board. There is also another provision. After all he is going to perform such contracts which are covered either in the budget or supplementary budget programme. Therefore it is only such expenditures as are included in these programmes that can be implemented.

Business of the House.

MR. SPEAKER.—Before adjourning the House for tomorrow, as the Leader of the Opposition wanted to know the probable date of the adjourned meetings of this session, I wish to inform that it will not meet during the Dasara in Mysore as was originally thought of on account of so many difficulties. It is likely to meet after the 15th.

Sri H. SIDDAVEERAPPA (Minister for Home and Finance).—Sir, I would make one submission, of course taking the House into confidence, in advance. It is very likely that I will be able to introduce the K.G.F. Nationalisation Bill by tomorrow. I am making a request that first the Bill may be taken into consideration in the morning so that we may send it to to the Select Committee of both the Houses and the Select Committee report may be made available before the 15th and then after the House reassembles, we may go through the business right from the first day itself. Therefore I am making this advance request so that the House may not be taken unaware of. Very probably on the 1st of October, we may take up the Bill for consideration. I am placing the Bill possibly tomorrow.

Mr. SPEAKER.—The House will now rise and meet at 8-30 tomorrow.

The House adjourned at Five Minutes past Five of the Clock to meet again at Thirty Minutes past Eight of the Clock on Saturday, the 29th September 1956.
